Party leader's statement - donations 2023

NOTES:

For each single donation exceeding €100 in value from outside the State between 1 January 2023 and 31 December 2023, the value and nature of the donation must be stated together with the name and **the full postal address** of the person (see part 3).

The party leader must confirm that each donation (including all contributions) has been included in the written statement for that year submitted by the appropriate officer.

A) PROHIBITED DONATIONS

i) Anonymous Donations

Acceptance of an anonymous donation exceeding a value of **€100** is prohibited. A donation is anonymous if the member or former Member of either House of the Oireachtas or MEP does not know the name **and** address of the donor. The onus is on the recipient to ensure that the name and address of the donor is known.

ii) Cash Donations in excess of €200

The **maximum cash donation** that may be accepted in any calendar year from a donor by a TD, Senator, MEP, candidate at a Dáil, Seanad or European election, Presidential candidate/election agent, political party, accounting unit of a political party, or a third party is **€200.00**.

iii) Donations in excess of the limit

A member or former Member of either House of the Oireachtas or MEP is prohibited from accepting, in any calendar year, a donation exceeding €1,000.00 in value, or donations exceeding €1,000.00 in aggregate value from the same person. The values of all donations received from the same person in the same calendar year should be aggregated and treated as a single donation.

iv) Foreign donations

A political donation, of any value, cannot be accepted from an individual (other than an Irish citizen) who resides outside the island of Ireland, or from a body corporate or an unincorporated body of persons which does not keep an office in the island of Ireland from which at least one of its principal activities is directed.

v) Donations by non-registered corporate donors in excess of €200

It is prohibited to accept a donation exceeding **€200** in value from a corporate donor **unless** the corporate donor is registered in the Register of Corporate Donors maintained by the Commission **and** a statement is made on behalf of the corporate donor (and furnished with the donation to the donee) confirming that the making of the donation was approved by the corporate donor. The statement must be accompanied by a statutory declaration that to the best of the knowledge and belief of the person concerned, the statement is correct in every material respect and that the person has taken all reasonable action in order to satisfy him/herself as to the accuracy of the statement.

If the party has received a donation that is prohibited, the appropriate officer should check the guidelines for information on how it is to be dealt with.
